A trueborn warrior of Clan Wolf, who won both his Bloodname and the rank of Star Colonel by the young age of 22, Kal Radick, Galaxy Commander of the Steel Wolves and Prefect of Prefecture IV, is skilled, strong, charismatic, and ambitious. Upon obtaining the post of Prefect, he began to publicly decry The Republic's treatment of Clan descendents as second-class citizens.

When the HPG network collapsed, and with it all apparent central authority throughout The Republic, Radick quickly leapt at the opportunity to rally his

fellow Wolves, espousing Crusader views of conquest and gathering a following of like-minded warriors eager for leadership and glory. For all his proclamations of returning strength to the Wolves, however, Radick is not himself the epitome of a Clan warrior, preferring to lead more through words and deliberation than battlefield prowess.

Of late, Radick has found that some within the Steel Wolves have begun to realize these flaws, and—combined with the apparent lack of direction for his campaign to bring glory back to the Wolves—have called his leadership into question. Star Colonel Anastasia Kerensky of the Crusaders Cluster is by far the most vocal, and dangerous, of his detractors.

Commentary

The *Mad Cat II* was one of a handful of produced-for-sale 'Mechs developed by Clan Diamond Shark (known today as Clan Sea Fox). Emerging from factory lines about the same time as the end of the Clan Wars, this heavily armed and armored assault 'Mech was in full production when the Word of Blake fanatics launched their Jihad, and fought for the armies of many of the allies who challenged the Blakists across the Inner Sphere.

Kal Radick's upgraded *Mad Cat II* was sold to Clan Wolf before the Sharks changed their name back to Sea Fox, and fought in several engagements with the Clan's Delta Galaxy during the Jihad, including the battle for Hesperus II. When Delta Galaxy was gifted to The Republic, this 'Mech came with it. Kal inherited the machine upon rising to the post of Prefect, and has nicknamed it "Crusader's Might."
