

Skabbik Plagueseeker is on a holy quest – holy, at least, to the rancid congregations of the Clans Pestilens. Within the Wyrdhollow, he seeks nothing less than an ingredient to one of the Great Plagues, a mythic disease with the power to change the course of history.

## WARSCROLL SKABBIK PLAGUESEEKER

MELEE WEAPONS	Range	Attacks	To Hit	To Wound	Rend	Damage
Warpstone-tipped Staff	2"	D3	3+	3+	-1	1

*Skabbik Plagueseeker is armed with a Warpstone-tipped Staff.*

**Frenzied Assault:** *The presence of the enemy drives this crazed warrior into a terrible rage.*

Add 1 to the Attacks characteristic of this unit's melee weapons if it made a charge move in the same turn.

**Poisonous Fumes:** *Skabbik's Plague Burner emits huge clouds of noxious gas.*

Subtract 1 from wound rolls for attacks made with melee weapons that target this unit.

**Befoul-befoul!** *Skabbik uses his foul knowledge to briefly ravage a portion of the Mortal Realms with a fleeting yet catastrophic shadow of one of the Great Plagues.*

Befoul-befoul! is a prayer that has an answer value of 3 and a range of 13". If answered, pick an objective on the battlefield within range and visible to the chanter. That objective is befouled until the start of your next hero phase (see the Skabbik's Plaguepack warscroll). In addition, roll a dice for each friendly and enemy unit contesting that objective. On a 4+, that unit suffers D3 mortal wounds.

Skabbik's Plaguepack wetly skitter forth to bring pestilence, rot and death to the enemies of the Great Horned Rat. Should the Plague Priest's noisome acolytes succeed in their task, the Mortal Realms themselves may be entirely reduced to a rancid, rotting mulch.

## WARSCROLL SKABBIK'S PLAGUEPACK

MELEE WEAPONS	Range	Attacks	To Hit	To Wound	Rend	Damage	
Plague Censer	1"	4	3+	3+	-1	2	
Plaguepack Weapons	1"	3	3+	4+	-	1	
Aura of Corruption	1"	See below					

*Each model in this unit is armed with Plaguepack Weapons.*

**RABIDIUS SKENCH:** 1 model in this unit is Rabidius Skench. That model is armed with a Plague Censer instead of Plaguepack Weapons.

**SKRITTER:** 1 model in this unit is Skritter. That model is armed with an Aura of Corruption instead of Plaguepack Weapons.

**Aura of Corruption:** *Skritter the plague rat carries with it a huge chunk of warpstone, which radiates enough corruption to melt flesh from bone.*

Do not use the attack sequence for an attack made with an Aura of Corruption. Instead, roll a dice for each enemy unit that is within range. On a 4+, that unit suffers D3 mortal wounds.

**Ruinous Supremacy:** *Every rancid step forwards taken by the Plaguepack spells doom for the Mortal Realms.*

While this unit contests a befouled objective, enemy models cannot contest that objective (see Befoul-befoul! on the Skabbik Plagueseeker warscroll).
